

Election of Ruling Elders

(The Code paragraph 179)

In preparation for an election of up to six ruling elders a list of voting members is exhibited today, Sunday 17th February 2019, in the church vestibule and will also be displayed next Sunday 24th February 2019.

Qualified Voters

The Code paragraph 175

(1) Voting members in the Church are communicants on the roll of the congregation who are listed, whether by name or number, as having contributed to the stipend or weekly freewill offering of the congregation in the last financial year.

(2) In addition to those so listed the following shall also be qualified, if themselves communicants on the roll -

(a) A wife shall be qualified on a husband's contribution, and vice versa, where both are communicants. This shall also apply should the contributor himself or herself not be a communicant. If neither husband nor wife in such circumstances is a communicant, then their contribution shall qualify the eldest child, residing in the family, who is on the communicants' roll.

(b) Should a contributor, who is not a communicant, be a member of a family residing together, then his contribution shall qualify the eldest member residing in the family who is on the communicants' roll.

(c) Those who have been added to the communicants' roll of the congregation since the close of the last financial year, upon confirmation by the treasurer that they have contributed during the current year, shall also be qualified voters.

The Code paragraph 176 (2)

(c) Should any member of the congregation who claims to be a voting member desire to make an objection regarding any name on the list, or omitted from the list, he shall lodge his objections, with his reasons in writing, with the Moderator of Kirk Session within a week of the first publication of the lists by any of the prescribed methods; and the Kirk Session shall give its decision thereon or refer the matter for decision by Presbytery.

(d) Should any member objecting be dissatisfied with the decision of the Kirk Session with respect to his own or another's qualifications he shall have the right of appeal to Presbytery within seven days. The same right belongs in such cases to any member of the Kirk Session, including any assessors that may have been appointed by Presbytery.

(e) When the voters' list has been finalised by the Kirk Session without appeal or reference, or by the Presbytery after appeal or reference, it shall be dated, signed and certified as correct by the presiding Moderator, who shall forthwith have it lodged with the Clerk of Presbytery, with a certified copy being retained by the Moderator or interim Moderator of Kirk Session as the case may be. This procedure must be completed before proceeding to the election.

The Election – in summary

Voting papers will be distributed by the the Kirk Session for voting members to choose up to six qualified persons suitable for the office. The Kirk Session will form a list of those who received the most votes up to the number of new elders being sought, i.e. six. Each person on the list must have received a minimum of a third of the votes cast. The Kirk Session must approve each person on the list and the consent of those proposed obtained.

(The Code paragraph 178 (1) (a) (b))

The list of those selected, when completed as far as possible, shall be read to the congregation on two successive Sundays, with opportunity for any objections in writing. The names will then be presented individually at a congregational meeting at which the selected persons must each obtain at least two thirds of the vote to be declared elected.
